Dear Parents,

Please be advised that an evaluation is required prior to treatment. The fee for the evaluation is based on the time it takes for the therapist to evaluate and develop a written report and treatment plan. If you wish to bill your insurance company, a prescription from your pediatrician is needed prior to setting up an appointment for an evaluation. Although a prescription is not required by law, most insurance companies require it before processing or paying out the claim.

**ATTENDANCE POLICY**

I agree to give at least **24 hours** notice when cancelling a set appointment. I will make an effort to re-schedule the appointment depending upon availability. In the event that I do not give this advanced notice, I agree to pay a \$25.00 surcharge or cancellation fee. In the case of an emergency **ONLY**, I will notify SENSATION STATION as soon as possible and make arrangements to reschedule to appointment.

If 50% of set appointments are missed in any given month, I forfeit my standing appointments and I will have to call weekly in order to schedule my appointment. If 75% of set appointments are missed in any given month, dismissal from therapy may result.

I further acknowledge that if I arrive late for my scheduled appointment time, SENSATION STATION may not be able to accommodate the total treatment time and charges for the pre-scheduled therapy time will be billed in full. We realize that circumstances beyond our control do come up at times, and would like to establish a solid relationship with your child.

**I have read and fully understand the above statement.**

**PAYMENT POLICY**

Payment for therapy and educational services provided will be due **upon receipt** of service. If payment cannot be made within **5** business days, SENSATION STATION must be contacted so that arrangements can be made. Failure to do so within **10** business days will result in suspension of therapy or educational services immediately as per our policy.

**I have read and fully understand the above statement.**
